27 after becoming twenty-one years of age as they have spent
28 in the armed forces of the United States before they became
29 twenty-one, provided, however, fees may be charged covering
30 instructional costs for a summer school or drivers education
31 program. The board of education may, in a hardship case,
32 exempt a student from payment of the above fees. Every person,

14 Sec. 80. Section 282.11, Code 2009, is amended to read as
15 follows:

16 **282.11 Procedure.**

17 1. For the purposes of this section, "affected pupils" are
18 those who under the whole grade sharing agreement are attending
19 or scheduled to attend the school district specified in the
20 agreement, other than the district of residence, during the
21 term of the agreement.

22 2. Not less than ninety days prior to signing a whole grade
23 sharing agreement whereby all or a substantial portion of the
24 pupils in a grade in the district will attend school in another
25 district, the board of directors of each school district that
26 is negotiating, extending, or renewing a sharing agreement,
27 shall publicly announce its intent to negotiate a sharing
28 agreement under section 21.4, subsection 1. Within thirty days
29 of the board's public notice, a petition may be filed with the
30 department of education requesting that a feasibility study be
31 completed. The petition shall be signed by twenty percent of
32 the eligible electors in the district. The director of the
33 department of education may determine that a feasibility study
34 conducted by the board satisfies the request, provided that the
35 study conforms with the criteria contained in section 256.9.

1 3. Not less than thirty days prior to signing a whole grade
2 sharing agreement whereby all or a substantial portion of the
3 pupils in a grade in the district will attend school in another
4 district, the board of directors of each school district
5 that is a party to a proposed sharing agreement shall hold a
6 public hearing at which the proposed agreement is described,
7 and at which the parent or guardian of an affected pupil and
8 certificated employees of the school district shall have an
9 opportunity to comment on the proposed agreement.

10 4. a. Within the thirty-day period prior to the signing
11 of the agreement, the parent or guardian of an affected pupil
12 may request the board of directors to send the pupil to another
13 contiguous school district. ~~For the purposes of this section,~~
14 ~~"affected pupils" are those who under the whole grade sharing~~
15 ~~agreement are attending or scheduled to attend the school~~
16 ~~district specified in the agreement, other than the district of~~
17 ~~residence, during the term of the agreement.~~ The request shall
18 be based upon one of the following:

19 ~~1.~~ (1) That the agreement will not meet the educational
20 program needs of the pupil.

21 ~~2.~~ (2) That adequate consideration was not given to
22 geographical factors.

23 b. The board shall allow or disallow the request prior to
24 the signing of the agreement, or the request shall be deemed
25 granted. If the board disallows the request, the board shall
26 indicate the reasons why the request is disallowed and shall
27 notify the parent or guardian that the decision of the board
28 may be appealed as provided in this section.

29 c. If the board disallows the request of a parent or
30 guardian of an affected pupil, the parent or guardian, not
31 later than March 1, may appeal the sending of that pupil to the
32 school district specified in the agreement, to the state board
33 of education. The basis for the appeal shall be the same as the
34 basis for the request to the board. An appeal shall specify
35 a contiguous school district to which the parent or guardian

1 wishes to send the affected pupil.

2 d. If the parent or guardian appeals, the standard of review
3 of the appeal is a preponderance of evidence that the parent's
4 or guardian's hardship outweighs the benefits and integrity
5 of the sharing agreement. The state board may require the
6 district of residence to pay tuition to the contiguous school
7 district specified by the parent or guardian, or may deny
8 the appeal by the parent or guardian. If the state board
9 requires the district of residence to pay tuition to the
10 contiguous school district specified by the parent or guardian,
11 the tuition shall be equal to the tuition established in the
12 sharing agreement. The decision of the state board is binding
13 on the boards of directors of the school districts affected,
14 except that the decision of the state board may be appealed by
15 either party to the district court.

16 Sec. 81. Section 282.24, subsection 1, Code Supplement
17 2009, is amended to read as follows:

25 attendance centers for students shall maintain an itemized
26 statement of the appraised value of all buildings owned by the
27 school corporation. The appraisal shall be updated at least
28 once every five years.

29 c. This subsection does not prevent the corporation or
30 district in which the student resides from paying a tuition in
31 excess of the maximum computed tuition rates, if the actual per
32 pupil cost of the preceding year so warrants, but the receiving
33 district or corporation shall not demand more than the maximum
34 rate.

14 such facilities, improvements, and works as may be necessary
15 or proper to meet the future requirements for the purposes
16 aforesaid; and, when necessary for such purposes, any such
17 facilities, improvements, and works and the maintenance
18 and operation thereof may extend beyond the limits of such
19 district, and the rights and powers of said board of trustees
20 in respect thereto shall be the same as if located within
21 said district, provided, no taxes shall be levied upon any

28 of the valuation of property not included within the district

31 within the limits of such sanitary district, and such added
32 areas shall be subject to the same taxation as other portions
33 of the district.

34 c. Nothing contained herein shall be construed to
35 authorize or empower such board of trustees to operate a

1 system of waterworks for the purpose of furnishing water to
2 the inhabitants of the district, or to construct, maintain,
3 or operate local municipal sewerage facilities, or to deprive
4 municipalities within the district of their powers to construct
5 and operate sewers for local purposes within their limits.

6 d. The board of trustees of such sanitary district may,

19 other sewage facilities on the property. However, the board
20 of trustees shall not regulate, restrict the use, or require

24 b. If the property owner does not perform an action required
25 under ~~the preceding~~ paragraph "a" within a reasonable time

29 tax. The notice shall state the nature of the action and
30 the time within which the action is required to be performed
31 by the property owner, state the date, time, and place where
32 the property owner will be heard by the board of trustees for

35 owner as shown on the records of the county auditor not less

1 than four nor more than twenty days before the date of the
2 hearing.

3 c. However, in the event of an emergency when the delay
4 of notice and hearing might cause serious loss or injury to
5 persons or property within the district, the board of trustees
6 may perform any action which may be required under this section
7 without prior notice and hearing, and assess the cost as
8 provided in this section, following notice to the property
9 owner and hearing in the time and manner provided in the
10 preceding paragraph "b". In that event the board of trustees
11 shall, by resolution, make a finding of the necessity to

16 Sec. 123. Section 380.1, Code 2009, is amended to read as
17 follows:

18 **380.1 Definitions.**

19 As used in this chapter, unless the context otherwise
20 requires, "book":

21 a. "All of the members of the council" refers to all of the
22 seats of the council including a vacant seat and a seat where
23 the member is absent, but does not include a seat where the
24 council member declines to vote by reason of a conflict of
25 interest.

26 b. "Book", "list", "record", or "schedule" kept by a county
27 auditor, assessor, treasurer, recorder, sheriff, or other
28 county officer means the county system as defined in section
29 445.1.

30 Sec. 124. Section 380.4, Code 2009, is amended to read as
31 follows:

32 **380.4 Majority requirement — tie vote — conflicts of**
33 **interest.**

34 1. Passage of an ordinance, amendment, or resolution
35 requires a majority vote of all of the members of the council,

1 except when the mayor may vote to break a tie vote in a city
 2 with an even number of council members, as provided in section
 3 372.4. Passage of a motion requires a majority vote of a
 4 quorum of the council. A resolution must be passed to spend
 5 public funds in excess of one hundred thousand dollars on a
 6 public improvement project, or to accept public improvements
 7 and facilities upon their completion. Each council member's
 8 vote on a measure must be recorded. A measure which fails
 9 to receive sufficient votes for passage shall be considered
 10 defeated.

11 ~~As used in this chapter, "all of the members of the~~
 12 ~~council" refers to all of the seats of the council including~~
 13 ~~a vacant seat and a seat where the member is absent, but does~~
 14 ~~not include a seat where the council member declines to vote by~~
 15 ~~reason of a conflict of interest.~~

16 2. A measure voted upon is not invalid by reason of a
 17 conflict of interest in a member of the council, unless the
 18 vote of the member of the council was decisive to passage
 19 of the measure. The vote must be computed on the basis of
 20 the number of members not disqualified by reason of conflict
 21 of interest. However, a majority of all members is required
 22 for a quorum. For the purpose of this section, the statement
 23 of a council member that the council member declines to vote
 24 by reason of conflict of interest is conclusive and must be
 25 entered of record.

26 Sec. 125. Section 384.4, Code 2009, is amended to read as
 27 follows:

28 **384.4 Debt service fund.**

 30 certify taxes to be levied for the debt service fund in the
 31 amount necessary to pay:

32 ~~1-~~ a. Judgments against the city, except those authorized
 33 by state law to be paid from other funds.

3 loans received through the former Iowa community development

5 ~~3.~~ c. Payments required to be made from the debt service
6 fund under a lease or lease-purchase agreement.

7 ~~4.~~ d. Payments required to be made from the debt service
8 fund under a loan agreement.

10 obligation bonds, and received from sources other than property
11 taxes, must be deposited in the debt service fund.

12 3. If a final judgment is entered against a city with a
13 population of five hundred or less for an amount in excess of
14 eighty-eight thousand dollars over and above what is covered
15 by liability insurance, such city may spread the budgeting and
16 payment of that portion not covered by insurance over a period
17 of time not to exceed ten years. Interest shall be paid by the
18 city on the unpaid balance. This ~~paragraph~~ subsection shall
19 only apply to final judgments entered but not fully satisfied
20 prior to March 25, 1976.

21 Sec. 126. Section 384.16, subsection 1, Code 2009, is
22 amended to read as follows:

24 fiscal year. When required by rules of the committee, a
25 tentative budget must be prepared for one or two ensuing years.

31 assessed valuation.

33 expenditures in each program in the following year, the latest
34 estimated expenditures in each program in the current year,
35 and the actual expenditures in each program from the annual

1 report as provided in section 384.22, or as corrected by a
 2 subsequent audit report. Wherever practicable, as provided in
 3 rules of the committee, a budget must show comparisons between
 4 the levels of service provided by each program as estimated for
 5 the following year, and actual levels of service provided by
 6 each program during the two preceding years. For each city
 7 that has established an urban renewal area, the budget shall
 8 include estimated and actual tax increment financing revenues
 9 and all estimated and actual expenditures of the revenues,
 10 proceeds from debt and all estimated and actual expenditures of
 11 the debt proceeds, and identification of any entity receiving
 12 a direct payment of taxes funded by tax increment financing
 13 revenues and shall include the total amount of loans, advances,
 14 indebtedness, or bonds outstanding at the close of the most
 15 recently ended fiscal year, which qualify for payment from the
 16 special fund created in section 403.19, including interest
 17 negotiated on such loans, advances, indebtedness, or bonds.
 18 ~~For purposes of this subsection, "indebtedness" includes~~
 19 ~~written agreements whereby the city agrees to suspend, abate,~~
 20 ~~exempt, rebate, refund, or reimburse property taxes, provide~~
 21 ~~a grant for property taxes paid, or make a direct payment~~
 22 ~~of taxes, with moneys in the special fund.~~ The amount of
 23 loans, advances, indebtedness, or bonds shall be listed in
 24 the aggregate for each city reporting. The city finance
 25 committee, in consultation with the department of management
 26 and the legislative services agency, shall determine reporting
 27 criteria and shall prepare a form for reports filed with the
 28 department pursuant to this section. The department shall make
 29 the information available by electronic means.

30 c. For purposes of this subsection, "indebtedness" includes
 31 written agreements whereby the city agrees to suspend, abate,
 32 exempt, rebate, refund, or reimburse property taxes, provide
 33 a grant for property taxes paid, or make a direct payment of
 34 taxes, with moneys in the special fund.

35 Sec. 127. Section 384.54, unnumbered paragraph 1, Code

1 2009, is amended to read as follows:

2 1. At any time after final adoption of the resolution of
3 necessity, but before awarding the contract, the council may
4 ~~proceed as follows:~~ direct the city attorney to file, in the
5 district court of the county in which the property proposed to
6 be assessed is located, a petition praying that the acts done

15 and may be included within the final assessment against any
16 property specially benefited in the assessment district.

17 b. Whenever on a hearing by the court, the amount of any
18 assessment is reduced or canceled so that there is a deficiency
19 in the total amount remaining assessed in the proceeding, the
20 court may assess the deficiency to the city or distribute the
21 deficiency upon the other property abutting upon or adjacent to
22 the improvement or in the district assessed, in a manner the
23 court finds to be just and equitable, not exceeding, however,
24 the amount the property would be specially benefited by the
25 improvement, and not exceeding twenty-five percent of the value
26 of the lot as shown by the plat and schedule of assessments or
27 as reduced by the court.

28 Sec. 130. Section 400.28, Code 2009, is amended to read as
29 follows:

30 **400.28 Employees — number diminished.**

31 1. When the public interest requires a diminution of
32 employees in a classification or grade under civil service,
33 the city council, acting in good faith, may do either of the
34 following:

35 ~~1.~~ a. Abolish the office and remove the employee from the

1 employee's classification or grade thereunder, ~~or~~.

2 2. b. Reduce the number of employees in any classification
3 or grade by suspending the necessary number.

4 2. In case it thus becomes necessary to so remove or suspend

16 3. In case of removal or suspension, the civil service
17 commission shall issue to each person affected one certificate
18 showing the person's comparative seniority or length of service
19 in each of the classifications or grades from which the person
20 is so removed and the fact that the person has been honorably
21 removed. The certificate shall also list each classification
22 or grade in which the person was previously employed. The
23 person's name shall be carried for a period of not less than
24 three years after the suspension or removal on a preferred list
25 and appointments or promotions made during that period to the
26 person's former duties in the classification or grade shall
27 be made in the order of greater seniority from the preferred
28 lists.

9 actual value of the land and completed improvements to be
10 made on the land until a specified termination date which
11 shall not be later than the date after which the tax increment
12 will no longer be remitted to the municipality pursuant to
13 section 403.19, subsection 2. The assessment agreement shall
14 be presented to the appropriate assessor. The assessor shall
15 review the plans and specifications for the improvements to
16 be made and if the minimum actual value contained in the
17 assessment agreement appears to be reasonable, the assessor
18 shall execute the following certification upon the agreement:

19 The undersigned assessor, being legally responsible for the
20 assessment of the above described property upon completion of
21 the improvements to be made on it, certifies that the actual
22 value assigned to that land and improvements upon completion
23 shall not be less than \$.....

24 b. This assessment agreement with the certification of
25 the assessor and a copy of this subsection shall be filed in
26 the office of the county recorder of the county where the
27 property is located. Upon completion of the improvements,
28 the assessor shall value the property as required by law,

5 agreement regardless of the actual value which may result from
6 the incomplete construction of improvements, destruction or
7 diminution by any cause, insured or uninsured, except in the
8 case of acquisition or reacquisition of the property by a
9 public entity. Recording of an assessment agreement complying
10 with this subsection constitutes notice of the assessment
11 agreement to a subsequent purchaser or encumbrancer of the land
12 or any part of it, whether voluntary or involuntary, and is
13 binding upon a subsequent purchaser or encumbrancer.

14 Sec. 133. Section 403.6, unnumbered paragraph 2, Code 2009,
15 is amended by striking the unnumbered paragraph.

16 Sec. 134. Section 410.6, Code 2009, is amended to read as
17 follows:

18 **410.6 Who entitled to pension — conditions.**

19 1. Any member of said departments who shall have served
20 twenty-two years or more in such department, and shall have
21 reached the age of fifty years; or who shall while a member
22 of such department become mentally or physically permanently
23 disabled from discharging the member's duties, shall be
24 entitled to be retired, and upon retirement shall be paid out
25 of the pension fund of such department a monthly pension equal
26 to one-half the amount of salary received by the member monthly
27 at the date the member actually retires from said department.
28 If any member shall have served twenty-two years in said
29 department, but shall not have reached the age of fifty years,
30 the member shall be entitled to retirement, but no pension
31 shall be paid while the member lives until the member reaches
32 the age of fifty years.

33 2. Upon the adoption of any increase in pension benefits
34 effective subsequent to the date of a member's retirement,
35 the amount payable to each member as regular pension shall be

1 increased by an amount equal to sixty percent of any increase
2 in the pension benefits for the rank at which the member
3 retired.

4 3. Pensions payable under this chapter shall be adjusted as
5 follows:

6 ~~1.~~ a. On each July 1 and January 1, the monthly pension
7 authorized in this chapter payable to each retired member and
8 to each beneficiary, except children, of a deceased member
9 shall be recomputed. The applicable formulas authorized in
10 this chapter which were used to compute the retired member's or
11 beneficiary's pension at the time of retirement or death shall
12 be used in the recomputation except the earnable compensation
13 payable on each July 1 or January 1 to an active member having
14 the same or equivalent rank or position as was held by such
15 retired or deceased member at the time of retirement or
16 death, shall be used in lieu of the final compensation which
17 the retired or deceased member was receiving at the time of
18 retirement or death. At no time shall the monthly pension or
19 payment to the beneficiary be less than the amount which was
20 paid at the time of such member's retirement or death.

21 ~~2.~~ b. All monthly pensions adjusted as provided in this
22 section shall be payable beginning on July 1 or January 1 of
23 the year which the adjustment is made and shall continue in
24 effect until the next adjustment at which time the monthly
25 pension shall again be recomputed and all monthly pensions
26 adjusted in accordance with the computations.

27 ~~3.~~ c. The adjustment of pensions required by this
28 section shall recognize the retired or deceased member's
29 position on the salary scale within the member's rank at the
30 time of retirement or death. In the event that the rank or
31 position held by the retired or deceased member at the time
32 of retirement or death is subsequently abolished, adjustments
33 in the pensions of the member or of the member's spouse or
34 children shall be computed by the board of trustees as though
35 such rank or position had not been abolished and salary

1 increases had been granted to such rank or position on the
2 same basis as that granted to other ranks and positions in the
3 department.

4 4. At no time shall the monthly pension or payment to the
5 member be less than one hundred fifty dollars.

6 Sec. 135. Section 410.10, Code 2009, is amended to read as
7 follows:

8 **410.10 Pensions — surviving spouse — children —**
9 **dependents.**

10 1. Upon the death of any acting or retired member of such

12 father or mother surviving, there shall be paid out of said
13 fund as follows:

14 ~~1.~~ a. To the surviving spouse, a sum equal to one-half of
15 the deceased member's total adjusted pension as provided for in
16 section 410.6, but in no event less than seventy-five dollars
17 per month.

18 ~~2.~~ b. If there be no surviving spouse, or upon the death of
19 such spouse, then to the dependent father and mother, if both
20 survive, or to either dependent parent, if one survives, thirty
21 dollars per month.

22 ~~3.~~ c. To the guardian of each surviving child under
23 eighteen years of age, twenty dollars per month.

24 2. Effective July 1, 1991, the remarriage of a surviving
25 spouse does not make the spouse ineligible to receive benefits
26 under this section, and for a surviving spouse who remarried
27 prior to July 1, 1991, the remarriage does not make the spouse
28 ineligible to receive benefits under this section.

29 3. However, the benefits provided by this section are
30 subject to the following definitions: ~~The term "spouse"~~

31 a. "Child" and "children" mean only the surviving issue of

35 b. "Spouse" means a surviving spouse of a marriage

1 contracted prior to retirement of a deceased member from active
 2 service, or of a marriage of a retired member contracted prior
 3 to March 2, 1934.

 5 spouse only if the division of assets in the dissolution of
 6 marriage decree pursuant to section 598.17 grants the former
 7 spouse rights of a spouse under this chapter. If there is no
 8 surviving spouse of a marriage contracted prior to retirement
 9 of a deceased member, or of a marriage of a retired member
 10 contracted prior to March 2, 1934, ~~surviving spouse~~ "surviving
 11 spouse" includes a surviving spouse of a marriage of two
 12 years or more duration contracted subsequent to retirement of
 13 the member. ~~The terms "child" and "children" mean only the~~
 14 ~~surviving issue of a deceased active or retired member, or the~~
 15 ~~child or children legally adopted by a deceased member prior to~~
 16 ~~the member's retirement from active service.~~

17 4. This section and its provisions shall be interpreted for
 18 all purposes as including all surviving spouses.

 34 January 1, 1992, or to matters pending as of January 1, 1992.
 35 If the actuary of the statewide system determines that the

1 assets transferred by a terminated system are insufficient to
 2 fully fund the accrued liabilities of the terminated system
 3 as determined by the actuary as of January 1, 1992, the
 4 participating city shall pay to the statewide system an amount
 5 equal to the unfunded liability plus interest for the period
 6 beginning January 1, 1992, and ending with the date of payment
 7 or the date of entry into an amortization agreement pursuant
 8 to this section. Interest on the unfunded liability shall
 9 be computed at a rate equal to the greater of the actuarial
 10 interest rate assumption on investments of the moneys in the
 11 fund or the actual investment earnings of the fund for the
 12 applicable calendar year. The participating city may enter
 13 into an agreement with the statewide system to make additional
 14 annual contributions sufficient to amortize the unfunded
 15 accrued liability of the terminated system. The terms of an
 16 amortization agreement shall be based upon the recommendation
 17 of the actuary of the statewide system, and the agreement shall
 18 do each of the following:

19 ~~{1}~~ (a) Allow the city to make additional annual
 20 contributions over a period not to exceed thirty years from
 21 January 1, 1992.

22 ~~{2}~~ (b) Provide that the city shall pay a rate of return on
 23 the amortized amount that is at least equal to the estimated
 24 rate of return on the investments of the statewide system for
 25 the years covered by the amortization agreement.

26 ~~{3}~~ (c) Contain other terms and conditions as are approved
 27 by the board of trustees for the statewide system.

28 (2) In the alternative, a city may treat the city's
 29 accrued unfunded liability for the terminated system as legal
 30 indebtedness to the statewide system for the purposes of
 31 section 384.24, subsection 3, paragraph "f".

32 c. Contribute additional amounts necessary to ensure
 33 sufficient financial support for the statewide fire and police
 34 retirement system, as determined by the board of trustees based
 35 on information provided by the actuary of the statewide system.

14 Code as a result of consolidation of language from former
15 subsection 7 of Code section 435.1, and former Code section
16 435.34 relating to property taxes on modular homes to reverse
17 the manner in which the conflict between the former provisions
18 was resolved by 2009 Iowa Acts, chapter 133, sections 146 and
19 191.

20 Code section 437A.22: Adds in the word "number" after the
21 words "document reference" to correct the reference to the term
22 used to describe the designation assigned to documents and used
23 in indexing notices of liens under Code sections 558.49 and
24 558.52.

25 Code section 455B.103: Adds a reference to Code chapter
26 459B in this provision relating to investigations of complaints
27 by the environmental protection commission to conform to the
28 change made to this language by 2009 Iowa Acts, chapter 155.

29 Code section 455B.191: Moves language to correctly refer
30 to the subject matter to which the language actually applies.
31 Due to the restructuring of the provision by 2009 Iowa Acts,
32 chapter 133, the stricken and underscored portion of this
33 provision was inadvertently placed in an incorrect location.

34 Code sections 455B.474 and 455B.474A: Strikes the last
35 unnumbered paragraph of Code section 455B.474, which from its

1 context relates to several of the subsections within that
 2 Code section, and places it in a new Code section 455B.474A
 3 to facilitate future codification of new subsections in Code
 4 section 455B.474. References contained in the language of
 5 the new Code section are added to clarify that the language
 6 still refers to subsections within Code section 455B.474. This
 7 paragraph has had to be moved in the past to accommodate the
 8 addition of new subsections within Code section 455B.474.

9 Code section 459B.102: Adds the word "manure" to conform
 10 the use of a term to the defined term "dry bedded manure
 11 confinement feeding operation building" in this definition of
 12 the term "dry bedded confinement feeding operation structure".

13 Code section 459B.103: In subsection 3, corrects two
 14 internal references to conform to a similar provision found in
 15 Code section 459A.103, subsection 1, paragraph "c", and because
 16 a spouse of a person could not also hold an interest in an
 17 entity in which the person was sole proprietor. In subsection
 18 5, the word "manure" is added to conform language relating to
 19 certain buildings to the term "dry bedded manure confinement
 20 feeding operation building", which is defined in Code section
 21 459B.102, subsection 14.

22 Code section 459B.308: Adds the word "feeding" to conform
 23 the use of a term to the term "dry bedded confinement feeding
 24 operation" which is defined in Code section 459B.102,
 25 subsection 11.

26 Code section 508E.12: Adds the word and figure
 27 "subparagraph (5)" in two locations to the citation to Code
 28 section 508E.2, subsection 15, paragraph "d", which describes
 29 the only type of person who could provide the unencumbered
 30 assets required for entering into a permissible viatical
 31 settlement agreement under this Code section.

32 Code section 805.6: Restructures this Code provision to
 33 eliminate unanchored unnumbered paragraphs, place similar
 34 provisions together, and eliminate an obsolete provision
 35 relating to use of uniform citation and complaint forms in

1 existence on or before July 1, 1995.

2 Code section 808B.10: Strikes the words and figure "either"
3 and "or 808B.12" to conform to the changes made by 2009 Acts,
4 chapter 88, which created an exception under Code section
5 808B.12 to the search warrant or court order requirements
6 of this Code section and Code section 808B.11 in cases of
7 emergency.

8 Code section 811.9: Corrects the language describing the
9 conditions under which a judgment of forfeiture of bond or
10 bail may be set aside in simple misdemeanor cases charged
11 upon a uniform citation and complaint, to clarify that those
12 conditions only apply to convictions for scheduled violations
13 under Code chapter 321 that are set aside as provided under
14 Code section 321.200A, which relates to discovery of fraudulent
15 convictions under Code chapter 321.

16 DIVISION II. Code sections in Volume III of the Iowa
17 Code are numbered and renumbered within this division
18 of this bill to assist in the elimination of unanchored
19 unnumbered paragraphs within numbered and lettered sections
20 of the Code. The renumberings include some restructuring
21 of provisions within these Code sections and the correction
22 of internal references within these provisions. In some
23 cases provisions within a Code section are moved to another
24 Code section to improve readability of the Code and to place
25 those provisions with other similar provisions in the new
26 location. In some cases similar provisions are consolidated
27 and broken into numbered or lettered lists to allow the reader
28 to better identify Code section components. In the process of
29 renumbering, some style changes are made to reflect current
30 Code format, style, and syntax.

31 DIVISION III. This division of this bill contains internal
32 references corrections that pertain to provisions within other
33 divisions in this bill.

34 DIVISION IV. This division contains effective dates
35 applicable to various changes made in this bill.
